"Borgo Sambuco more than lived up to its description and our expectations. The week we spent there in June 2008 was a highlight of that (or any other) summer we have spent in Europe. Like all our guests, we luxuriated in the magnificent setting, thoroughly enjoying the gracious house and pool (a treat to return to after day trips to nearby hilltop towns, among them Assisi, Perugia, Gubbio, and Spoleto). This was a wonderful way to see a fascinating part of Italy and share the experience with friends and family"
